Onyx SUK354

ULTIMA5000PRO

2000W

With high precision thermostat

Ultra High Ionic Conditioning

71,000,000 ions/cm³

4 Heat & 2 Speed Settings

Including true cold shot

AC Long-Life Motor

1000+ hours

- Airspeed 77km /h
- Airflow 110m³/h
- Ceramic & Tourmaline front grille
- Reduced noise system
- Removable rear grille for easy cleaning
- 3m soft flexible power cord
- UK/EU plug adaptor
- + Styling wand
- + 2x slim precision styling concentrators

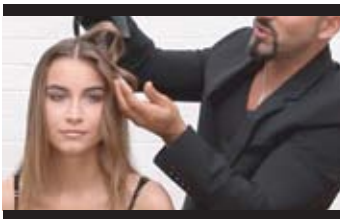

HOW TO:

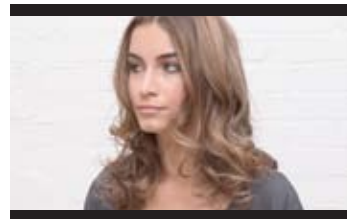

Using the unique dryer styling wand, exclusive to the ULTIMA5000PRO

1. Click the unique conical styling wand onto the dryer nozzle & wrap a section of damp hair around this.

2. Dry the hair using hot air and then set the style using the Cool Shot. Gently unwind the hair after approximately 10 seconds (depending on hair type & thickness). Repeat across entire head.

3. Leave curls loose or brush out for extra volume.

RADIANT SHINE DETANGLE & DRY PRO

Macadamia, Argan & Keratin Oil
infused ceramic bristles for a
shinier & smoother professional
finish & superior control

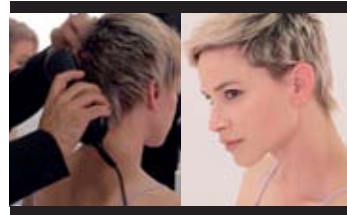

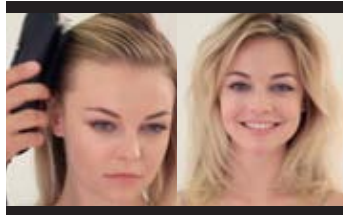

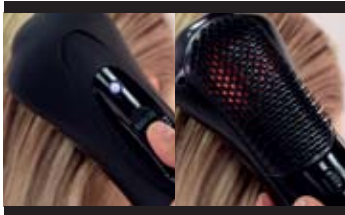

Ionic Conditioning
For a glossy, frizz-free finish

Infrared Conditioning
Smooths whilst being kinder
to the hair by preventing
it from losing its natural
moisture

- 2 heat/speed settings
- 3m soft flexible power cord
- UK/EU plug adaptor
- Removable bristles for easy cleaning & maintenance

HOW TO: Using the DETANGLE & DRY PRO

1.
Run the brush through towel-dried hair
from root to tip until the hair is tangle free
and dry.

2.
Perfect for creating a soft, blow-dried
look or prepping the hair ready for heat
styling.

3.
Or use on shorter hair for sculpting and
adding texture.

RADIANT SHINE IONIC THERMAL HEATED BRUSH

Macadamia, Argan & Keratin Oil
infused ceramic barrel for a
shinier & smoother professional
finish & superior control

Ionic Conditioning
For a glossy, frizz-free finish

Fast Heat Up To 180°C
Ready in seconds

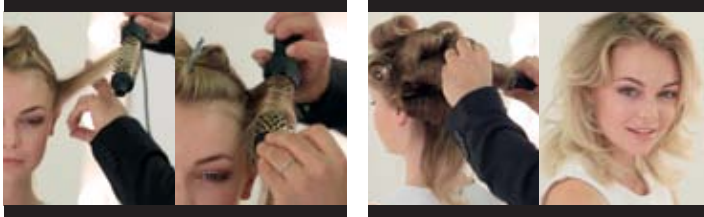

- Multi voltage for worldwide use
- 3m heat resistant swivel cord
- UK/EU plug adaptor

USE ON ITS OWN
Perfect for quickly creating
movement, waves, body or for
styling straight with shine

USE WITH A HAIR DRYER
For faster, more effective
styling when blow-drying

HOW TO:

Quickly achieve all-over root lift and add definition to shapeless hair.

1.
Take a small section of dry hair and wrap
around the brush. Hold at the root for
approximately 10 seconds.

2.
Slowly unwrap the hair and roll up and
secure with a clip for extra hold and
repeat all over. When finished unpin the
clips running fingers through hair to
define the shape.
